CQP-23 NEW RECORDS!

COMING EVENTS

JANUARY MEETING PROGRAM

WILBUR "BIP" BACHMAN, W6BIP - NEW TECHNIQUES USED TO REDUCE TVI.

AND

KEN KEELER, N6RO - RF SPECTRUM ANALYZER. BRING YOUR FILTERS AND HAVE THEM CHECKED OUT.

JAN.24: NCCC MEETING, 7:30 PM, CWA
HALL, HAYWARD

FEB.26-27: CQ WW 160 METER SSB CONTEST

FEB.28: NCCC MEETING, HAYWARD

JAN.28-29: CQ WW 160 METER CW CONTEST

MAR.5-6: ARRL DX CONTEST - SSB

FEB.19-20: ARRL DX CONTEST - CW

PRESIDENT KIP SAYS

HAPPY NEW YEAR! HERE'S HOPING THAT 1983 BRINGS US ALL BIGGER SCORES, FEWER DUPES AND, MOST IMPORTANT, AN INCREASED SENSE OF SATISFACTION AND FUN FROM CONTESTING AND FROM THE NCCC.

OVER THE PAST SEVERAL MONTHS, A NUMBER OF NCCC'ERS HAVE VOICED THEIR CONCERN OVER SEVERAL ISSUES RELATING TO THE CLUB WHICH REVOLVE AROUND THE ANSWERS TO TWO QUESTIONS: WHERE IS THE NCCC HEADED AND WHAT KIND OF CLUB SHOULD IT BE? IN MY VIEW, THESE ARE QUESTIONS FOR THE GROUP AS A WHOLE, NOT JUST THE HANDFUL OF OFFICERS AND DIRECTORS. IT'S NO SECRET THAT MANY NCCC'ERS ACTIVE IN THE CLUB'S AFFAIRS DURING THE PAST TWO OR THREE YEARS HAVE GROWN WEARY OF DOING ALL THE WORK AND HAVE ELECTED TO TAKE INDEFINITE SABBATICALS. IN MOST ORGANIZATIONS WORTH THEIR SALT, THIS WOULD PRODUCE A RUSH OF "NEW BLOOD", READY AND EAGER TO FILL THE VOID. WITH A FEW NOTABLE EXCEPTIONS, THE NCCC HAS NOT BEEN SO LUCKY. THE FEW WHO "RUN" THE CLUB OFTEN FIND THAT GETTING "VOL-UNTEERS" IS MORE TIME-CONSUMING THAN SIMPLY DOING THE JOB THEMSELVES. THUS, WE FACE A SITUATION NOW WHERE A FEW DO ALL THE WORK, LESS THAN ONE-FOURTH OF THE CLUB'S MEMBERS REGULARLY ATTEND MEETINGS OR OTHERWISE PARTICIPATE IN THE CLUB'S ACTIVITIES, AND OVERALL ENTHUSIASM AND INTEREST ARE DOWN.

SO WHAT TO DO? MAYBE NOTHING. THE NCCC HAS SEEN PEAKS AND VALLEYS OF THIS SORT IN THE PAST AND HAS SURVIVED - - OR, INDEED, HAS FLOURISHED. BUT IT SEEMS TO ME THAT THE ISSUES AT LEAST NEED TO BE AIRED BY THE CLUB AS A WHOLE.

(CON'T)

PRESIDENT KIP SAYS (con't)

I HOPE THAT RAISING THE PROBLEM IN THIS FORUM WILL GENERATE INCREASED DISCUSSION OF IT, ESPECIALLY AS THE ELECTION OF NEW OFFICERS AND DIRECTORS DRAWS NEAR. WHATEVER HAPPENS, IM CONVINCED OF ONE THING: BEING INVOLVED WITH THE NCCC MUST CONTINUE TO BE FUN.

ENOUGH OF THE "HEAVY" STUFF FOR THIS TIME AROUND. CONGRATULATIONS AND THANKS TO RON, N6AUV, FOR MAKING THIS YEAR'S CHRISTMAS BANQUET THE BEST EVER. ALL WHO ATTENDED SEEMED TO AGREE THAT THE RESTAURANT, DINNER AND SERVICE WERE EXCELLENT. THE BoD HAS DECIDED TO RETURN TO THE VELVET TURTLE FOR NEXT YEAR'S AFFAIR.

THE BoD BEGAN ITS DISCUSSION OF 1983-84 OFFICER AND DIRECTOR NOMINATIONS AT ITS JANUARY MEETING AND THE SUBJECT IS ON THE AGENDS FOR FEBRUARY AND MARCH. IF YOU ARE INTERESTED IN SERVING, LET THAT INTEREST BE KNOWN.

SOME HAVE SUGGESTED THAT THE CLUB MOUNT AN EFFORT IN THE UPCOMING WPX CONTEST. THIS, FOR MANY, IS ONE OF THE BEST "FUN" CONTESTS GOING. TO DO IT RIGHT, HOWEVER, WE NEED SOMEONE TO TAKE CHARGE OF THE PROJECT, ORGANIZE IT, AND MAKE IT WORK. ANY VOLUNTEERS?

THIS MONTH'S MEETING WILL FEATURE BIP, W6BIP, ON NEW TECHNIQUES FOR TVI PREVENTION. THIS, OF COURSE, IS A SUBJECT DEAR TO ALL OF US. IF YOU WANT TO KEEP YOUR NEIGHBORS FROM POUNDING ON YOUR DOOR OR STICKING PINS THROUGH YOUR COAX, SHOW UP AND FIND OUT HOW YOUR STATION AND "DALLAS" CAN PEACEFULLY COEXIST. WE'LL BE RAFFLING OFF A DX EDGE. I HOPE TO SEE YOU THERE.

73, KIP, W6SZN

ARRL DX TEST

THE NEXT ALL-OUT CONTEST BRAWL, ARRL DX, IS ONLY A FEW WEEKS AWAY. CHECK PAGE 1 FOR THE DATES AND GET READY. THE NCCC WILL NOT BE SUBMITTING A CLUB SCORE BUT INSTEAD WILL BE SUPPORTING THE NCDXC EFFORT. NCCC'ERS WHO ARE ALSO NCDXC MEMBERS ARE URGED TO GET ON, MAKE THE BIGGEST POSSIBLE SCORE, AND SUBMIT IT ON BEHALF OF THE NCDXC. A MODEST NUMBER OF LOG FORMS AND SUMMARY SHEETS WILL BE AVAILABLE AT THE JANUARY MEETING.

THE COMPLETE WRITEUP ON THE 1982 CQWW WILL APPEAR IN NEXT MONTH'S JUG.

SILENT KEYS

IT IS WITH DEEP REGRET THAT WE RECORD HERE THE PASSING IF TWO CLUB MEMBERS, JIM ROBERTSON, W6MYP, AND HAL SHIMOTA, W6FQF, THE SYMPATHY OF ALL OF US GOES OUT TO THEIR FAMLIES AND FRIENDS.

- - W6SZN

CLASSIFIED

LIKE CONTESTS? HATE PAPERWORK?

THE N6TV DUPING SERVICE IS NOW ON LINE FROM YOUR LOG I'LL GIVE YOU: 1) A LIST OF DUPE QSO'S BY BAND, TIME OF Q, IN ORDER.
2) LIST OF ALL CALLS BY BAND (DUPE SHEET)
3) BY BAND, # OF Q'S AND DUPES AND NET Q'S
4) LABELS FOR QSL CARDS (ADD 1¢/QSO)
5) PRICE: 4¢/QSO. ACCURACY GUARENTEEDED!
BOB WILSON, N6TV 408)264-6688 CALL ME.

FOR SALE: MOTOROLA FLEXAR BASE STATION. 460 MHZ, 30 WATTS. WITH MOTOROLA ANTENNA. \$500. CALL SUSAN, WA6OCV 408)425-5616

BoD MEETING: FEB.3 AT K6XO

JUG DEADLINE: FEB.14

1982 CALIFORNIA QSO PARTY

. . .de W6SZN

Fifteen new California county records, eight new state records, increased participation, good conditions, good scores -- and fewer logs received. That, in a word (or several) sums up this year's CQP.

This year's California winner was Gary Caldwell, WA6VEF. With last year's winner, Tree, N6TR, sitting this one out, Gary operated N6BT to within 12 QSO's of setting a new all-time single op record. Congratulations! The out-of-state battle again pitted Mike, WDØEWD, against Scott, WAØAVL. The scores were so close that both logs were completely duped by computer (with many thanks to Phil, K6ZM) to determine the winner. Congratulations to WAØAVL, who prevailed by 426 points -- 4 fewer QSO's than WDØEWD but one more multiplier. The California DXpedition winner was the more-or-less multi-multi operation of NJ6D from Placer County. (By the way, the tri-bander used is now under six feet of snow at Lake Tahoe, making an all-out Placer County effort in 1983 somewhat less than certain.)

This contest gets tougher each year -- all top 10 California single ops found all 58 multipliers this year. Making the top 10 single op listing was much more difficult this year if you were in California (153K this year vs. 139K last year for #10) but easier if you were not (21.3K vs. 32K).

Thanks to all who participated this year. A special thanks to the mobiles and county expeditions who make a special effort each year to activate the hard-to-work California counties.

Several participants suggested rule changes or clarifications. Each of these will be considered by the NCCC Board of Directors at an early meeting and, if implemented, will appear in the announcement of the 1983 CQP to be mailed to all who submitted logs this year.

Take a look at the all-time records reprinted later in this report. There are many state and county records waiting to be claimed and they can be yours -- get on in 1983 and do it.

The statistics and comments reproduced below tell the story of this year's contest.

CALIFORNIA SINGLE OPS

W6TSE/M (M/S)	269	73	46	43,838

New state records: 8 (IL, IA, MI, MN, MS, NJ, VT, WV)

New California

County records: 15 (Calaveras, Lassen, Los Angeles, Mariposa, Mendocino, Merced, Mono, Napa, Nevada, Orange, Plumas, San Luis Obispo, San Mateo, Santa Clara, Solano)

Most entries -- state: Texas (11)

Most entries -- county: Los Angeles (5)

All 58 California counties were on, but activity in several was very light.

Out-of-State Static

Running a Ten-Tec Triton barefoot to a Wilson WV-1 vertical! [and setting a new all-time record for Miss. -- Ed.] (WB5GRI). . . .Have to beat my old record! [and he did -- Ed.] (WD0GPX). . . .Thanks for one of the best contests yet. Glad to hear those 20 db over S9 sigs consistently coming from stations such as N6BT, N6BV, AJ60, W7CB/6 and many others. (N2AEW). . . .Enjoyed contest but didn't go all out -- too much going on. Look forward to next year. (KA4TSG). . . .This is my second contest ever, being 15 years old and newly upgraded. It was a great contest, in spite of my foul-ups. Hpe 4 mini mor! (N4FQD). . . .Very good contest. Quite a few said they were working me off the side of their beams. It can make it rough up here at times, but I still enjoy a good contest. (NL7D). . . .Was unable to work as much of the contest as I wanted -- had just got out of the hospital!! See you agn in 1983. (KE5B). . . .Boy, what a blast. Did not have any trouble finding someone to work like I have experienced in some of the state QSO parties. (WB5RYB). . . .Enjoyed this very much. (KY5M). . . .Being a California native is an advantage -- the county names make sense to me. Worked the Cal. Tech. station, my alma mater. (KR0U). . . .I really wanted my old record back but W1GNR still has it. I can't wait until next year to try again. (WA1FCN). . . .First Cal. party for me since moving to Florida -- really enjoyed it. CU next year. (N4EJW). . . .Great QSO party! (WC4E). . . .Enjoyed the party. Sorry I didn't get all the counties. (W4WIJ). . . . What a great warm-up for the Nov. sweepstakes. Wish Idaho was a little further distant so I could enjoy the 10 and 15 meter action also. CU again next year. (WB7TJI). . . .Enjoyed QSO party weekend. Looking forward to next year already. (WD9IFS). . . .Many thanks for a FB contest! There were plenty of participants and the condx were very good. The rules are set up very well -- glad to see CW operation encouraged. CU agn next year! (WA9MRU). . . .The California QSO Parties are always one of the most interesting operating programs of the year. This year was no exception. Except for the high static level, band conditions were unusually good. I was pleased to find many of the California stations active on all bands

between 80 and 10 meters on both CW and phone. (W5WG). . . .This is one of the very best QSO parties I have ever worked. Conditions were very good and there were a lot of stations on and also very good operators. (WA0KGD). . . .Many thanks for an enjoyable contest. I really appreciate the many stations that took the time to pull my 2 watts out of the QRM. Worked 12 new counties. Sure hope they all QSL. (W8EAO/QRP). . . . Thanks to W6TSE/M for Imperial. Please, please next year mobiles/portables to Madera and Kings (my last two). (W3HDH)Lots of activity. Really enjoyed your QSO party. (WA3JXW). . . .Just thought I would help the guys out. (KC3BO)A good QSO party. I lost several hours to take my son fishing -- didn't catch any fish so should have worked the contest instead. See you next year. (KE4VP). . . .Nice QSO party. Sounds like you had a lot of stations on. (WA4JJY)Enjoyed contest although wasn't able to devote enough time to it. See you next year. (KA4LBD). . . .Looking forward to it again in '83. See you guys in the Texas QSO Party. (N5JB)Tnx for providing a fine business contest! See you next year. (KA5LAQ). . . .Really enjoyed your QSO party! Wish there had been more early AM activity on 40 meters. AJ60 was the only station I found and 40 was in fine shape. See you next year. (KC4IH). . . .1st Cal. QSO Party -- a real good test. (W7DRA). . . .This was a fun contest. Even my wife (N9DIJ) made 35 QSO's! (K9GDF). . . .This is my first Cal. QSO Party. Enjoyed the activity. (N9DIJ). . . .First contest -- started as a check log and changed my mind. (W9JOX)Enjoyed the contest and had a lot of fun with this QRP station. Happy to give so many a Manitoba multiplier. (VE4RF)Had fun and hope to do better next one. (VE7AZV). . . . Nice QSO party. Hope to meet you next year agn! (JA2YKA). . . . California -- still the #1 state QSO party! (W5NR)

California QRM

Carson Pass, Alpine County, el. 8573 ft.: Would have worked into the night but at 8,500 feet it is just too cold after the sun goes down. (N6AU/6). . . .All in all I had a ball again from a rare county. See you next year. (W6NAT). . . . Location was at el. 5242 feet, on the border of Lassen and Plumas counties. Set up was in the back of a pickup -- 3 el. at 12 feet on 15, 2 el. on 10 and a dipole of 40 and 20. The dipole was in both counties; the truck and rig were in Plumas and the generator was in Lassen. (N6QW -- Lassen/Plumas Counties). . . .I found this contest an absolute pleasure to operate. The number of VE's on 10 meters was absolutely amazing! I believe I worked at least two of every multiplier. Long live 10 meters! (AA6RX, op. of W6UE). . . .Looking forward to next year when I can put in full time (hopefully) (N6HC). . . .Ours was a low key effort. The WX was top -- warm and shirt sleeve WX from Sat. morning to Sun. afternoon. The view was worth the trip. This is the third year from Mt. Tamalpais. Four years ago, the Foothills ARC was on from Alcatraz, the first opeartion since 1962. All in all, we had a good outing, perfect WX, and fair radio condx. (K6MA, op./trustee of K6YA). . . .This year's CQP was enjoyable,

without the TVI and gun threats I experienced a few years ago. (NA6T). . . .Although I've been licensed 28 years, this is the first contest I've entered! Fantastic fun! Looking forward to next year. (W6MSN). . . .Missed the DX stations this year. (AA6EE). . . .Nice contest. Seemed to be good turnout in Cal. and elsewhere. Have to give it full time shot in '83. (WA6AUE)Location was a turnout on the side of Highway 89. The site had a 150 foot drop to a valley about 3 miles wide -- a clear shot to the east. No CW operation as I left the keyer on Sat. nite and the battery was dead on Sunday. (N6QW -- Sierra County). . . .

SCORE LISTING: (CW QSOS, Phone QSOS, Mults, Total Score)

YOU PROVIDE THE ABILITY

SPECIFICATIONS

7.2-2

Frequency of operation: 7.0-7.3 MHz
(x 125 KHz)

Gain: 4.9 dBd

F/B: 12 dB

Feed Impedance: 50 ohms unbalanced.

Max element length: 46'

Boom length/Dia: 16'/3"

Weight: 45 lbs

Windload: 6 sq ft

For Mast: 2" O.D.

The 7.2-2, on a 16 foot boom, is ideal for hams seeking well-rounded coverage of the amateur bands, as well as good DX capabilities. The linear-loaded elements virtually eliminate interaction with 20 meter beams and permit stacking as close as 4 feet.

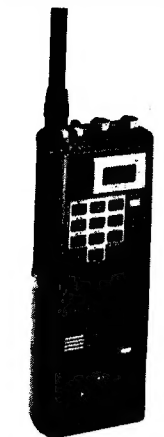

WE DELIVER THE PERFORMANCE!
